Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the La Crosse Fire Department Station 4 project in fiscal year 2024. The entity to receive funding for this project is the La Crosse Fire Department, located at 726 5<sup>th</sup> Avenue South, La Crosse, WI 54601. The funding would be used for the construction of a new fire station. The project is an appropriate use of taxpayer funds because it will enhance community emergency response objectives by updating the fire station for the largest district in the City of La Crosse.

The project has a federal nexus because the funding provided is for purposes authorized Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "D Van Orden".
